

Christmas Wishes 2016

The Cheboygan Area Jaycees are a small local organization with limited funding. Through the generosity of businesses and community members we are able to help many families in the area during the Christmas Holiday. We do our best to accommodate everyone we can; however some years we receive more applications than we are able to fund. Just because an application is submitted, it does not mean the family will receive help. The Cheboygan Area Jaycees will contact the parent(s) to let them know if they are receiving help this year. This year we will be providing educational or family oriented activities/gifts for the selected families, a necessities basket and Christmas Dinner.
